This stunning Moorish villa, on the seafront, is surrounded by manicured lawns and gardens. Villa Le Palais and Villa Les Jardins, built in 1860, are stylish venues, very private and peaceful, located 30 minutes from Cannes and St Tropez on the beautiful French Riviera. Overlooking the Mediterranean Sea, public rooms are spacious and airy, decorated in refreshing neutral tones and linen fabrics. Each villa can be exclusively hired for a variety of events from board meetings to parties and weddings. Villa Le Palais is the slightly larger property with six bedrooms and three suites; most of these rooms overlook the garden, pool or sea. Villa Le Jardins has three bedrooms and two suites; this villa is furnished in a grander style, however each guest room in both villas is spacious, individually designed and filled with light. A large breakfast is served each morning and room service is available. If required, a chef may be hired to cook to order, however, there are a variety of restaurants in the immediate vicinity. Guests have access to the villa's private port with boat and exclusive boathouse where recreational activities include water sports such as water skiing, scuba diving and kayaking. However, the villa's Jacuzzi and menu of beauty treatments provide tempting alternative options.

Location: From the A8 exit at Fréjus/Saint-Raphaël then follow Saint-Raphaël centre and signs to Casino/harbour. Follow signs to Cannes via Bord de Mer and hotel is on the right.
